

# Kiel Wisconsin VFW Military Street Banner Program 2024

The City of Kiel and its residents have a long-standing and high regard for those who serve, or have served, in the military. Kiel's VFW Post 6707 will continue its street banner program to honor those residents who served in the United States Armed Forces and to promote civic pride. The banners will again be placed throughout Kiel over Memorial Day & Veteran's Day in 2024.

## Program Qualifications

Current, retired or honorably discharged members of the United States Armed Forces who reside in Kiel, or resided in Kiel and are now deceased, or an immediate family member of a resident of Kiel who served is eligible to order a banner to honor their family member. A double-sided, full color 23" x 39" custom banner, that includes an image of the honoree, will be displayed. Requests for specific locations are not accepted. They are your property and you can request them anytime. Until then, they will be displayed continuously at no additional cost. We will continue to rehang your banners yearly until they become too damaged to hang (approximately 5 years).

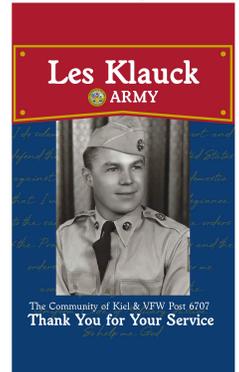

Photos: A portrait of the honoree in uniform (suggested). If such an image is not available, another image of the honoree can be provided.

**OPTION 1:** Supply high resolution digital image (300 dpi or greater) e-mail file to jamie@banddco.com.

**OPTION 2:** A photograph can be brought to Brand & Design, 601 Fremont St., Kiel. Photos can be scanned and returned to you while you wait.

Contact Jerry Schnell with questions (920) 894-3265.
